## \* Extending a Visitor Visa and Applying for an Alien Resident Certificate (ARC):

An extendable Visitor Visa (60/90 days) can be extended up to a maximum of 180 days, as long as the student maintains good academic standing and class attendance as a full-time student. After 180 days, students must go abroad and obtain a new Visitor Visa from the local Taiwan embassy before re-entering Taiwan. Alternatively, long-term students may desire to apply for an Alien Resident Certificate (ARC) through the Immigration Agency's website after 4 months of continual Chinese language class enrollment.
